Forecast for Tuesday 30 Mar 2021

Weather: Low cloud and occasional rain or drizzle expected to be persistent throughout the day across most ranges. However drier and brighter weather will develop across Jura, Arran, Kintyre and perhaps the more southern Trossachs by afternoon.

Chance of cloud free mountain/hill tops above 800m: 40%, best chance in the afternoon across the south

Visibility: Poor in extensive low cloud between 400 and 600 metres across the north of the region. Cloud lifting off the summits in the south of the area in the afternoon with visibility becoming good.
